Oluchi is incredibly nice and was insanely quick at returning problems sets. I always felt like I could interrupt and ask a question whenever I had one during section.

We love you Oluchi! Thank you for being so dedicated and caring to your students' success and understanding of the material!
It was Oluchi's first time teaching, but it's clear her teaching improved with each class. She cared a lot about conveying information clearly and in a way we would understand. She was always willing to help and accessible outside of class. I appreciate all of Oluchi's efforts
really knowledgable and understood the material, very helpful and nice
Oluchi was a great Section Leader. She answered all of our questions well for the most part, although her explanations could be a bit confusing at times. I really liked the practice problems she pulled from the textbook. Overall, she helped demystify a lot of the material from lecture and prepared us well for our exams.
She gave great feedback on the PSETs which helped for understanding the material. She was also a great section leader and was incredibly knowledgeable.
Oluchi answered questions we had very well and gave effective lectures.
Her sections were not particularly helpful. I think the slides were good, but she didn't seem to have the strongest understanding of the material. I wish she had been able to explain things more thoroughly.
